

DT Home Learning Challenge - Build your classroom

Can you build a model of your classroom at school? What can you find to use to build your classroom? Can you remember what it looks like?

Can you build some furniture for your classroom? Can you remember where you sit?

Can you decorate your classroom with display boards? Can you remember what was on the walls?

Can you make some moveable doors for your classroom? How many doors are there in your classroom?

Can you make a model of your teacher for your classroom? What do they look like?

Good luck and remember to have fun!
