

School Behaviour Review

Welcome back to school and we wish you all a happy and healthy 2018. Thank you also, on behalf of all the staff, for your very generous cards and gifts. It really is very generous and kind offer and greatly appreciated.

During our last term we discussed with the children and staff our behaviour policy in school. We were particularly interested in how the children felt about sanctions and rewards since the school opened in 2012. As usual, the children were very honest and often had very proactive suggestions. The summary of the changes below are an overview and were presented to the whole school this morning. Our Parent Focus Group next week (9.30am 12.01.18) will discuss this in more detail and when our school policy has been ratified by our Governing body we will email you all a copy and add to our school website as this has been fundamental to the success and continued development of Repton Manor Primary School.
