

Bottlenose Dolphin Class Newsletter

Term 2 2016: 31st October 2016- 21st December 2016

www.reptonmanorprimary.co.uk 01233 666307

Welcome back! We hope you had an enjoyable half term.

Mathematics

In Mathematics this term we will continue to develop the children's knowledge of multiplication. Within this unit, we will be consolidating their ability to recall and use multiplication facts, write and calculate mathematical statements and solve problems in a variety of contexts.

We will then progress on to learning about fractions. We will focus on adding fractions with the same dominator and recognising equivalent fractions using diagrams.

We will also continue to use mental and oral Mathematical games to develop mental strategies.

Topic

This term we will continue with the magical theme of Harry Potter. We will work towards 2 new Big Challenges. These are:

- Can you create a musical piece for a banquet?
- Can you create a banquet?

For the first challenge, we will compose our own ensemble piece. We will focus on the importance of expression within our voices, use different instruments and learn about pitch and tone. For the second challenge we will be cooking for some very special guests. Watch out for more information!

English

This term we will continue to teach English in line with our topic. We will be reading and developing persuasive texts. Grammar, Punctuation and Spelling will continue to be a focus. The class will learn about word types, conjunctions, prepositions, sentence punctuation and prefixes.

Reminders:

Please ensure that reading books and contact books are in school every day.

Please remember to have your child's full P.E. kit in school every day as P.E. days may change due to weather. Importantly, please ensure that all children have a change of appropriate shoes and long tracksuit bottoms as some of our lessons will be outside.

Please send your child to school with a water bottle and a waterproof coat every day.

Children's timetable

Monday: Outdoor P.E.

Wednesday: Indoor P.E.
French

Thursday: Home learning books in.
Library books changed.

Friday: Spelling test
Times Table test
Home learning set
