

# Sea Turtles Newsletter

Term 2: 31.10.16

[www.reptonmanorprimary.co.uk](http://www.reptonmanorprimary.co.uk) 01233 666307

## A Big Thank You!

Firstly, please can we start with a thank you to all those parents and family members who were able to attend our parent's afternoon to see our topic learning! We raised over £70 for our trip budget.

## English

In Storytelling this term we will be linking to our topic 'The Mayans' by writing an 'Overcoming the Monster' tale where we are focusing on using subordinate clauses to extend our sentences.

## Maths

After a successful first term in Maths, the children are starting to get to grips with plenty of problem solving! We are currently focusing on being secure in our multiplication and division methods before using these methods to reason and apply to different types of problems.

**Please continue with learning your times tables!**

## Science

In Science we will be looking at Earth and Space - this is an exciting topic where the children enjoy exploring the wonders beyond us on Earth!

## Topic

Our topic this term is continuing with our overall theme of 'Welcome To the Jungle' but looking closely at The Mayan Civilisation. This will hope to be an exciting adventure looking closely at how the Mayans lived, what they ate and their beliefs. There might even be some chocolate involved in this topic! Watch this space!

## Reading:

We love reading at Repton Manor! We are encouraging children to read as much as they can because, not only is it fun, but it also supports us with our writing skills too.

We have library time once a week on a **Monday** in order for the children to change their library books, use it for research time and learn library skills. We encourage the children to change their reading book as often as possible.

## P.E.

These lessons will be on Tuesdays and Fridays. Please ensure your child has the correct P.E. kit (white t-shirt, black shorts, trainers and tracksuit) for these sessions.

The Year 5 Team are :  
**Mrs Cutts and Mr Burrough**
