Repton Reminders for W/B 29.04.24

Well done to all of the children who are reading each night. This is so important for a child's development and their ability to access other areas of the curriculum to an age expected standard.

Please do read with you child each night and record this in their reading record.

We are working on developing a life long love of reading and really do appreciate your support with this.

Congratulations to the children who took part in the hockey tournament this week. Repton came 2nd in their category. Well done for fantastic sportsmanship! A big thank you to Becky Thomas and Mr Starley for helping with this event.

Please do come and talk to the teachers at the classroom door. We have an open-door policy and value the relationship between school and home.
