Miss Pittam – Teacher of Shen Kuo class

We have a really fun year planned for you!
In school I love to get creative with arts, crafts, singing and dancing. So I hope you will join in!
My favourite food is chilli beef nachos, well Mexican food in general.
My favourite sport to play is Netball, I play for three different teams so it keeps me very busy.
I have a cheeky little dog called Daisy who I love to take for walks on the beach.

Mr HB – Teacher of Stephen Hawking Class

My favourite things to do are: reading, hiking, anything rugby related and solving Rubik's Cubes.
My favourite food is pizza.
My favourite colour is green.
My favourite animals are dogs.
I am the funniest teacher ever (FACT!) well at least in my opinion... I also have 2 special talents: wiggling my ears with no hands and being able to make the noise of a dripping tap.
