Albert Einstein & Marie Curie Class

Term 5

We hope you have a fantastic break and are full of energy and enthusiasm for next term!

Mathematics

In Mathematics this term we will be continuing our learning around number, shape and measurement and consolidating our learning of everything we have learnt so far. We will then be furthering our learning from Term 3 & 4 by applying this knowledge to solve real life problems.

Mathematics is also a fantastic, fun and easy way to practise these skills at home and in school; so please make sure you are using it whenever you can! Please speak to a member of the Year 2 team if you have lost your login!

Topic

Our topic this term is ***Into the Woods***. We will investigate how the woods change in different seasons and spend lots of time outside with hands on learning.

Reminders:

Reminders: Please ensure that reading books and reading record are in school every day.

Please remember to write in the reading record where your child has read up to or when they have finished the book so that we know when we need to give you a new book. P.E kits should be in school every day too - there have been a number of instances where children have not been able to participate in a PE lesson due to not having the correct kit.

It is part of our school uniform policy and additionally it is a health and safety concern if a child is not dressed appropriately for PE.

English

Our English learning will be based around our "Into The Woods" topic. The children will become master storytellers by first being immersed in an exciting story and learning what actually makes a fantastic story. We will also learn about the different types of sentences and how they could be used effectively in their writing. This will give the children their focus before they write their own versions of this tale.

Please continue to practise spellings on Spelling Shed.

Dates for the diary:

There will be a Year 2 SATs information evening on **Wednesday 20th April at 5pm.**

1st May - 31st May: KS1 SATs Tests

28th April - 5th May: Scholastic Book Fair
