

Year: 5

Curriculum Theme: Creativity and Collaboration

Current Topic (s): Survival

All core subject Home Learning activities will be set each Friday. Your child's spelling test will take place on Thursday. Home learning books will be collected on Thursday and returned to your child on Friday.

Reading	Writing (GPS)	Maths
Read with an adult every night for at least 20 minutes if you are a free reader.	Practise spellings every night. Write your spelling in a sentence. This will develop knowledge of word meaning and sentence structure. Please see the spelling strategies sheet for more information. You will have a weekly GPS worksheet stuck into your Home Learning book that you will be required to complete.	Times Tables are the foundation to understanding and accuracy in solving a range of mathematical areas. Ensure that you practise your times tables regularly to improve your speed and accuracy of times tables recall. There will be a weekly task set on Mathletics linked to what you have been learning in class that you will be required to complete.

Project based Home Learning

Complete at least one creative task from the choices below which are linked to your current Topic. If you would prefer to complete a different project, linked to your Topic, which is not on the grid, this is fine too. This needs to be completed and handed in by **Wednesday 28th June 2023.**

<p align="center">I am an Author.</p> <p>Create a script for a new documentary series about a country of your choice. Can you comment on the climate, land use and wildlife?</p>	<p align="center">I am a Historian.</p> <p>Research a famous explorer and create a timeline to showcase their lifetime.</p>
<p align="center">I am a Mathematician.</p> <p>Choose an environmental factor to collect data on (for example temperature, rainfall) and create a graph to display your findings.</p>	<p align="center">I am a Designer.</p> <p>Create a mini shelter out of natural resources.</p>
<p align="center">I am an Artist.</p> <p>Can you create a detailed drawing of an animal which has adapted for survival?</p>	<p align="center">I am a Computer Programmer.</p> <p>Create a "survival" game using Scratch or another programming tool.</p>
<p align="center">I am a Musician.</p> <p>Create a playlist of 'survival music', commenting on the dynamics, tempo, pitch, beat etc. of each song.</p>	<p align="center">I am an Athlete.</p> <p>Can you create your own Bear Grylls challenges for your family to experience? Document their successes and challenges in a way of your choice.</p>
<p align="center">I am a Scientist.</p> <p>Set up a camera or webcam to record any animal activity in your garden. Choose a way to present what you found.</p>	<p align="center">I am a Geographer.</p> <p>Create a biome in a bag. Use a sandwich bag, soil, some seeds and some water and see if you can create a healthy plant that waters itself.</p>

Life Skills Tasks

Can you demonstrate the following skills linked to your year group's curriculum? It would be great if you could practise these lots at home.

<p align="center"><u>Personal Safety</u></p> <p>Make a fire escape plan for your family should a fire break out in your home.</p>	<p align="center"><u>Social & Emotional</u></p> <p>Collaborate on something with a sibling or family member.</p>	<p align="center"><u>Personal Care</u></p> <p>Cook a savoury meal from start to finish.</p>	<p align="center"><u>Understanding the World</u></p> <p>Practice packing a suitcase for yourself if you were going on holiday somewhere.</p>
