The Repton Manor Way

- We respect each other – Every child matters and every decision we make is based on what is best for them.
- We feel safe, healthy and cared for – Children are supported in a secure, inclusive and welcoming environment.
- We take pride in our learning – Learning is exciting, meaningful and fun, both indoors and outdoors.
- We care for our community – Children develop an understanding of people, cultures, and the wider world

Learning in the EYFS

Learning in Reception is active, creative, and play-based. Children are encouraged to make independent choices, build resilience, and ignite their natural curiosity. Every day includes:

- Planned adult-led learning.
- Child-initiated exploration.
- Outdoor learning come rain or shine.
- Opportunities to nurture awe, wonder, and imagination.

We celebrate the “messy” side of learning, so spare clothes and wellies are always helpful!

- A curriculum full of wonder and discovery.
- Life skills for independence and problem-solving.
- Celebrations of each child’s unique gifts and talents.
- Strong partnerships with families and our community
- Delicious school meals catered by Independent Catering
- A supportive Inclusion Team lead by Mrs Lou Summers, Deputy Headteacher/SENCo louise.summers@reptonmanor.kent.sch.uk, and Mrs Katie Allen SENCo Assistant, katie.allen@reptonmanor.kent.sch.uk

A Warm Welcome

Starting school is a special milestone for both you and your child. At Repton Manor, we aim to make every child’s first steps into education happy, calm, and full of curiosity. Our Early Years team provides a nurturing environment where children feel safe, valued, and ready to explore the world around them. To support a smooth transition into Reception, we offer a gradual start with half-day sessions and smaller groups. This gentle approach helps children settle in, build friendships, and develop positive relationships with adults.
