Deputy Headteacher	John Page
Chair of Federation	Wayne Wills

Dear Parents and Carers,

We are very excited about our new topic in Term 2 'Animal Magic.' Your children will be learning about different species of animals and how they can be classified based on observations of their distinguishing features.

In order to start building on these skills, we have invited the fantastic Creepy Claws group in to spend an hour with each class during their first week back. The children will be able to meet a variety of animals in a hands-on workshop. This experience will then form the starting point for poetry writing, report writing, science and topic lessons.

We are asking for a donation of £3 per child towards covering the cost of this workshop. Please can all payments be made by Thursday 20th October 2022, via your child's Scopay account.

Thank you for your continued support,

The Year One Team
