

LIBRARY WEEK

3RD - 9TH OCTOBER

Next week is national library week and this year's theme is 'connect with your library'. Libraries are places to get connected to technology by using broadband, computers, and other resources. They also offer opportunities to connect with media, programs, ideas, and classes—in addition to books. This week is dedicated to celebrating and enjoying all that our libraries have to offer.

CHALLENGE

Do you own a library card? If you don't, we would like you to visit our local library and sign up for a library card. Which book will you borrow first?

REPTON LIBRARY

We are very lucky at Repton Manor to have our own library building full of wonderful books. During library week the children will be visiting the library and having the opportunity to earn their Repton Library card.
