## **September 2022 – The beginning of our Lightyear Federation**

Dear Repton Manor Primary School & Greatstone Primary School Families,

I hope you have all had a wonderful summer, the weather was amazing and I hope it was fun filled and relaxing and you are all as excited as we are to return at the end of this week for our first day back, Friday 2<sup>nd</sup> September.

We had several changes and appointments to our leadership structure and we will be making some of the appointments to our new exciting roles in the coming year including; a natural world teacher, a sports specialist and an arts specialist who will be working with all children across both schools in Spring 2023.

Our leadership team are looking forward getting to know you all and will be setting out their plans to develop their areas of responsibilities with children, families, staff and governors this autumn.

Both Jaclyn Kay and Jackie Chambers will be writing to you alongside their Deputy Headteachers (Fiona Roberts – Greatstone, John Page – Repton) with welcome and information about the start of school and the term ahead. Please do not to hesitate in talking to us about anything concerning your child or their school. We will always welcome your feedback and look forward to developing our wonderful schools further for the best possible opportunities for our children, families, staff and communities.

Kind regards  
Matt Rawling  
Executive Headteacher
