Dear Parents and Guardians,

This letter is to inform you about our use of Tapestry Online Learning Journal in Year R at Repton Manor.

Tapestry allows us to make observations for your children, linked to their curriculum, and to attach photos and videos. On Tapestry, parents/guardians can see, like and comment on the observations that we make for your child. You can also add your own observations of what your child does outside of the school. Similarly, we can use a 'Memos' feature to share news and updates about your child with you.

If you give your permission, we will set you up with your own individual account for Tapestry using your email address so that you can see what your child is learning within school. This account will be directly linked to your child's account, which means you will only be able to see observations that include your child. You will then be able to login with your email address and password to either the browser version of Tapestry (tapestryjournal.com) or to the Tapestry app. Tapestry has apps for iOS, Android and Amazon Fire devices. If you choose to use the app, after you login initially, you can use a 4-digit PIN to quickly log back in. We have included two guides, provided by Tapestry themselves, to help you with this process.

Tapestry securely stores all the data we input to our account on their servers. If you want to find out more information about how Tapestry keeps our data safe and secure, you just need to go to <https://tapestry.info/security.html>.

If you would like to proceed, please fill in the slip below with your child's name and your email address and then sign. Once you return this to us, we will then provide you with details about how to access and use your Tapestry account. We will aim to open the accounts for you ready for Term 2.

If you have any questions or queries about this, please get in touch with Jess Iles.

Many Thanks
Jess Iles
