Dear Parent/Carer,

Year 2 Trip to Rare Breeds Centre

In Year 2, our Science lessons in Term 2 are all about animals and habitats. To further enhance the children's understanding of animal habitats, identifying, naming and sorting animals, we would like to take Year 2 on a trip to **The Rare Breeds Centre** on **Friday 4th November 2022**. We feel this visit will give children a first-hand experience of how to care for animals and understand what animals need to help them survive in the wild and the type of habitats each animal lives in.

The total price of the trip is **£15.35 per child**. This includes the cost of the coach journey, entry into the centre, an educational talk about how to care for animals and an exciting trailer ride. If we do not receive enough funds, we will have to regrettably cancel the event.

On the day of the trip, your child will need to wear school uniform and arrive to school as normal at 8:50am. We will be leaving school after registration and returning by 3.00pm for the usual collection procedure. The children will need to wear school uniform, but they can wear any suitable and comfortable shoes. It is likely to be muddy so children are welcome to wear their wellies. Children also need to bring a warm, waterproof coat and possibly a hat and gloves if the weather is cold. They will **NOT** need any spending money for the trip but will need to bring a packed lunch and a water bottle.

Every child will have the option of a free packed lunch provided by the school kitchen, or they will need to bring their own. (Please tick your preferred option on the attachment below).

If you would like your child to take part in this exciting visit, please complete the slip below by **Thursday 20th October** and make payment using your child's Scopay account.

Nearer the time, we may require some parent volunteers to help with the trip. This will involve supporting a small group of children throughout the day. If you would like to put your name forward to help, please speak to a member of the Year 2 team.

Thank you for all your support.

If you have any questions, please do not hesitate to contact a member of the Year 2 team.

Yours Sincerely,

The Year 2 Team.
