## Ed Boxall

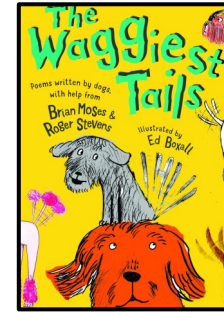

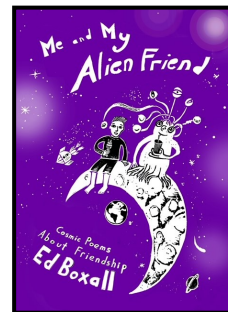

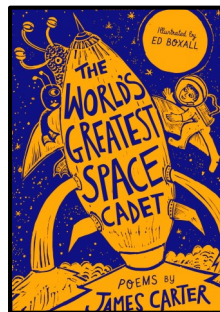

In recent years Ed has realised he loves writing poems best and had his first full collection 'Me and My Alien Friend' published by Troika in 2018, the book was chosen for The Summer Reading Challenge in 2019.

Ed's passion for poetry shows in his illustration work- he has illustrated for some of the UK's top children's poets such as Brian Moses, Roger Stevens and James Carter.

Ed is also a freelance teacher and has been running workshops, residencies and special events based on his writing and illustration for 15 years.

*"what a tremendous session - the children loved it - lots of good responses and their writing was joyful "*
