## 97 Acts of Lightyear Kindness...Merry Christmas!

Dear Parents and Carers of Greatstone and Repton Manor Primary School,

I am delighted to finish the year with a celebration of our amazing children from both our schools. The ambitious challenge was set for 100 acts of kindness for our families and community. The children have been recognised for 97 exceptional acts through November and December. The names of the children are below (in some cases they have shown more than one act of kindness).

Whilst I cannot detail every single act, I can assure you they would bring a lump to your throat and some are truly remarkable. We have seen children caring for elderly and disabled members of their family, cleaning their community areas, championing local charities or going above and beyond to help in the family home. I am sure you will support me in praising these children for their exceptional thoughtfulness. I look forward to recognising them and sharing their acts with our schools on our return in January.
