Thursday 9<sup>th</sup> November, 2023

Dear Repton Family,

For Maths Week England we are excited to be celebrating the children's understanding of number facts through the use of NumBots in Key Stage One. Our school will be taking part in a friendly competition involving schools across England from **Tuesday 14<sup>th</sup> November to Thursday 16<sup>th</sup> November**. It's all done online via [play.numbots.com](https://play.numbots.com) using the login details provided by the classroom teacher.

For every correct answer, your child will earn their class a point. The NumBots platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below)). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

All game modes (Story and Challenge) will count but only from games played between 7:30AM GMT and 7:30PM GMT on Tuesday 14<sup>th</sup>, Wednesday 15<sup>th</sup> and Thursday 16<sup>th</sup>. To support player wellbeing, there is a daily time limit of 60 minutes per player. In other words, each player can earn competition points for up to 60 minutes between 7.30am and 7.30pm. Once the player goes beyond 60 minutes of play on a given day, they will still earn coins but will no longer earn points towards the competition.

In the spirit of the competition, please don't play on your child's behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans. We suggest a limit of half an hour a day outside school hours – some will play more, some will play less.

Thank you for your support,

Amanda Bashford
