

Year: 1

Curriculum Theme: Curiosity and Autonomy

Current Topic (s): Our Wonderful World

All core subject Home Learning activities will be set each Friday. Your child's spelling test will take place on Thursday. Home learning books will be collected on Thursday and returned to your child on Friday.

Reading	Writing (GPS)	Maths
Read both Read Write Inc books every night with your child and sign their reading record. Read with an adult every night for at least 20 minutes if you are a free reader.	Practise the weekly spellings on Spelling Shed and the common exception word spellings in your green book. Write your spelling in a sentence. This will develop knowledge of word meaning and sentence structure.	Complete the set Mathletics challenge each week. Practise number bonds regularly. Numbots is available to support this.

Project based Home Learning

Complete at least one creative task from the choices below which are linked to your current Topic. If you would prefer to complete a different project, linked to your Topic, which is not on the grid, this is fine too.

This needs to be completed and handed in by **Wednesday 13th March 2024**.

I am an Author. Can you create your own book about the World? What interesting facts can you share?	I am a Historian. How was the Jurassic Period different from today? (E.g. animals, weather, plants etc.) Can you make a poster to show the differences?
I am a Mathematician. Can you measure a variety of plants and flowers in your garden and record their height in centimetres?	I am a Designer. Can you design a leaflet or brochure of your dream holiday? What could you do and what might you see?
I am an Artist. Can you draw or paint a landscape? (e.g. seaside, woodland or even the view outside your window)	I am a Computer Programmer. Can you research a famous explorer and type a fact file about their life? Could you add some pictures into your document?
I am a Musician. Can you find and listen to some music from another country? Can you dance to it?	I am an Athlete. Can you create your own target throwing or ball game? Can you teach and play with your family or friends?
I am a Scientist. Can you create your own interactive seasons and weather chart to use at home or in our classroom?	I am a Geographer. Can you create your own map and add a key? What symbols could you use to show what you can see?

Life Skills Tasks

Can you demonstrate the following skills linked to your year group's curriculum? It would be great if you could practise these lots at home.

<u>Personal Safety</u> I can describe and demonstrate how to get help from a trusted adult or helpline if things make me feel sad, uncomfortable, worried or frightened.	<u>Social & Emotional</u> I can name different emotions (anger, happiness, excitement, fear, sadness) and talk about times when I might feel them and how to manage these emotions.	<u>Personal Care</u> I can recognise when it is a good time to have a drink or use the toilet and wash my hands.	<u>Understanding the World</u> I know all the days of the week in order. (Could you write them down?)
