Tuesday 28th March 2023

Dear Parents and Carers,

After-school clubs will commence week beginning **Monday 24th April 2023** (second week of term).

These are run by staff on a voluntary basis and whilst they clearly give the children great learning opportunities, they do add to staff workload. For this reason, and for the development of skills each week, I must insist that if your child is given a space in a club, they attend every session. If your child is absent from school due to illness their absence from the club is to be expected, other than this we ask children and parents to commit to each session.

All staff run clubs will run from 3pm-4pm and children will be released from the areas mentioned below.

Sports clubs will be run outside no matter the weather conditions so please send your children with appropriate kit.

We will continue to offer paid for clubs run completely by external providers. Please see the external club's sheet for more details of clubs on offer this term. Any communication with these club leaders should be direct to the contact details they provide. We ask that you bear in mind these clubs must meet a minimum number to enable them to be run.

If you would like to apply for a club space for your child: Staff run clubs go live on Arbor at 7pm **Thursday night (30th March)** and will remain open over the holidays; they will close at **7pm Friday 14th April**. The only way to allocate fairly will be on a first come first serve basis.

We also ask that you do not book multiple clubs on the same day and limit one booking per child per day, for each offered staff led and paid for club.

For staff led clubs; if you receive an Arbor message stating you have registered for the club this means you have successfully gained a place and this will show on your child's Arbor account under the clubs heading. It will not allow you to gain a membership period if the club is full.

For external clubs, please contact the lead directly. They will then be in touch to confirm your child has gained a space.

Kind regards,

Jackie Chambers
Head of School
