Dear parents/carers,

Godinton House Geography workshops

We have been invited to take a select number of children to attend three Geography themed workshop mornings. The children will work with staff from Godinton House Charitable Trust on sessions based around different environmental topics.

The sessions are as follows:

2/5/23 – Water bodies

6/6/23 – Meadows and pollination

4/7/23 – Farming, pot to plate.

This project is generously subsidised in full by the Godinton House Charitable Trust therefore no fees apply in order for your child to attend. The workshops take place during school hours (9.30-12 noon) and coach travel to and from the venue is included. The children will return to school in time for their normal lunchtime slot.

Your child will need to be dressed in suitable clothing for outdoor learning with legs and arms covered and waterproofs/sunhat dependent on the weather. They will also need to bring a water bottle to each session.

Staff from Repton Manor Primary School will accompany the children for the entire trip including travel to and from the venue and the workshops.

Please confirm your child's attendance on Arbor by Friday 21st April 2023.

Many thanks,

Melody Scott-Boatfield
Geography Subject Lead
