Deputy Headteacher	John Page
Chair of Federation	Wayne Wills

Friday 24th February 2023.

Dear Year One Families,

Next term we are learning all about plants, prehistoric animals and how they grow and change. We will be exploring everything from dinosaurs to pods of beans! To help us with our learning, we would love to visit Samphire Hoe with the children where we will go on a fossil adventure and explore the different plant life that grows in the area with some of the experts who work there!

This trip will take place on **Monday 27th March 2023**. The coach will collect us after morning registration and we will be leaving Samphire Hoe at 2pm so please drop off and collect your child as usual.

The cost of this trip per child is **£19.83**. Please make payment and consent to this trip via the Arbor app by **Friday 17th March 2023**.

At this time of year, we hope the weather will be getting much more predictable but we would like each child to attend the trip with a warm waterproof jacket and comfortable walking shoes such as trainers. All children should wear school uniforms and bring plenty of water with them. Each child will also need a packed lunch for the day. If your child is Free School Meal eligible and you would like the school to provide a packed lunch for your child, please do let the school office know.

We would also like to invite some parents to volunteer to support us on our school trip. If this is something you would like to do, please talk to your child's class teacher about requesting a space.

We are looking forward to this wonderful experience and we are sure the children will love it! If you have any further queries about the trip, please do speak to your child's teacher.

Kind regards,

The Year One Team
