

# Week ahead: Repton Reminders for W/B 25.03.24

## A message from Mrs Chambers

Dear Families,

We are nearly at the end of another very busy term. Our children have enjoyed many activities planned for them this term which have enhanced their learning opportunities - from school trips, to a Royal Shakespeare Production show, from Genius Hour projects, to producing an Art Mural for the community, from various themed workshop visits to sports matches, from a themed day of reading related fun during World Book Day to our OPAL play afternoon. We cannot thank our staff enough for planning these wonderful opportunities for our children and we also wish to thank each of you who have helped to support the school in one way or another to make these activities possible.

This term we are sad to be saying goodbye to Sarah Crook who has worked at Repton as our FLO for the last 2 years. Sarah has worked with many of our children and families since she started at Repton Manor and she will be missed by the team. However, Sarah has gained the wonderful opportunity to begin a new career as a Social Work Assistant, working with children with disabilities, and we know how amazing she will be in this role. We wish her all the very best for the future.

We are also excited to welcome some new members of staff to our team over the next couple of weeks.

Talia Clarke, who is an ex-Repton pupil herself, has returned to the school family as a member of staff. She has joined us as a Teaching Assistant and is Repton's first member of staff who has also been a pupil at our school! We are very pleased to welcome Talia back.

Viv Morris, who was previously a Teaching Assistant at Repton Manor, will be returning to our Repton Family to the position of SENCO Assistant to cover Katie Allen's maternity leave. We are very excited to welcome Viv back to our staff team.

Laura Holmes will also be working within a slightly different role at Repton after the Easter break. We are excited to let you know that Laura has been appointed as a Nurture Practitioner for Repton Manor. Laura will be leading many of our nurture groups but will still be working with classes within her role and so our children will still see lots of her. We hope you will join us in congratulating Laura on her appointment to this role.

### Please can we ask for your support in informing children that they must not be on scooters or bikes in the school grounds.

#### Medal Assembly – Thursday 28th March

Earlier this year we decided to change the medal assembly slightly. However, we can confirm that we will be keeping the medal assembly times as they were previously:
