Dear Parents/Guardians,

Kent Challenger Games

Your child has been selected to represent Repton Manor Primary School in the Kent Challenger Games as we feel that your child will benefit greatly from the opportunities they will encounter by representing the school. The games intend to be fully inclusive and will include children who may not have previously represented the school or who may find it difficult to access this type of event due to medical, physical or additional needs. The children will take part in events that require team work, communication and a range of sporting tasks. Points are awarded throughout the day but these are awarded on effort and team work and not based on 'first past the post'.

Part of the team work will start within school, in the build-up to the event. The children will be working together to create a banner which will be used in opening ceremony and will bring the team together! We will require parents to transport their children to and from the event and would like to welcome any parents to stay and support the team.
