

Year: 1

Curriculum Theme: Creativity and Collaboration

Current Topic (s): Once Upon a Time

All core subject Home Learning activities will be set each Friday. Home learning books will be collected on Thursday and returned to your child on Friday.

Reading	Writing (GPS)	Maths
<p>Read both Read Write Inc books every night with your child and sign their reading record.</p> <p>Read with an adult every night for at least 20 minutes if you are a free reader.</p>	<p>Practise the weekly spellings on Spelling Shed and the common exception word spellings in your green book.</p> <p>Write your spelling in a sentence. This will develop knowledge of word meaning and sentence structure.</p>	<p>Complete the set Mathletics challenge each week.</p> <p>Practise number bonds regularly. Numbots is available to support this.</p>

Project based Home Learning

Complete at least one creative task from the choices below which are linked to your current Topic. If you would prefer to complete a different project, linked to your Topic, which is not on the grid, this is fine too. This needs to be completed and handed in by **Wednesday 26th June 2024**.

<p>I am an Author. Can you create a comic/story about a toy that comes alive?</p>	<p>I am a Historian. Can you talk to someone in your family about their childhood? Can you record what you find out?</p>
<p>I am a Mathematician. Can you make a poster all about time to share with others? Can you include the following words: year, month, week, day, night, hour, minute, second?</p>	<p>I am a Designer. Can you design a vehicle fit for a real life hero?</p>
<p>I am an Artist. Can you make a model of an old or new toy?</p>	<p>I am a Computer Programmer. Can you use Scratch Jr (ipad app) to create your own story? https://scratch.mit.edu/</p>
<p>I am a Musician. Can you plan a music playlist with one song from each era? (30's, 40's, 50's 60's, 70's, 80's, 90's, 00's, 2010's)</p>	<p>I am an Athlete. Can you learn a game from the past or a new sport and have fun playing with your family?</p>
<p>I am a Scientist. Can you complete a simple science experiment? Can you predict what you think might happen, test if you are right and then share your findings? For example, what materials are waterproof?</p>	<p>I am a Geographer. Can you go for a walk around the local area and record how you know what season is it? Maybe you could collect objects, take photographs or draw pictures?</p>

Life Skills Tasks

Can you demonstrate the following skills linked to your year group's curriculum? It would be great if you could practise these lots at home.

<p>Personal Safety Can you talk about when a road is safe to cross or not with an adult?</p>	<p>Social & Emotional Can you explain how everyone is different?</p>	<p>Personal Care Can you confidently use cutlery independently to feed yourself (including cutting larger foods)?</p>	<p>Understanding the World Can you find out about key events or celebrations that happen in our local area?</p>
