

## A message from Mrs Chambers

Dear families,

Our children continue to work incredibly hard and impress us every day. Last week we saw the most incredible Year 4 production. The Year 4 children helped with the production of The Royal Shakespeare Company and worked alongside Wyvern School.

The children completely blew us away - the professional nature of the production and the way it involved every single child was just incredible. I have never before seen such a moving, well-put-together production which incorporates two schools and children with such a wide range of needs - it was just amazing. We are incredibly proud of the Year 4 children and their teachers for such a wonderful performance.

We can't wait to see you all at our Birthday Celebrations this Saturday (8<sup>th</sup> July 11.30-4pm)

Thanks,

Mrs Chambers

### ✨The Summer Reading Challenge is back! ✨

Children aged 4-11 are invited to join the Summer Reading Challenge in Kent Libraries this summer. The Summer Reading Challenge 2023 will start on Saturday 8 July and will continue to run throughout the summer, finishing on Saturday 9 September.

The Summer Reading Challenge is aimed at keeping children reading throughout the summer while away from school, as well as providing a fun, free activity for families. We would love your help in supporting as many children to take part as possible. We have a fun video that can be shown to children in your school to promote the challenge. Please find the links below: [Watch on YouTube](#)

In addition to that, lots more information and resources for schools can be found here: <https://summerreadingchallenge.org.uk/school-zone-src> and I have attached:

- A handy school pack which contains information about the Summer Reading Challenge, including links to downloadable images and other resources
- There is also a handy school newsletter template, to help promote the Summer Reading Challenge on the school website or in newsletters sent home
- A4 Promotional Poster

Here is some more information about this year's Summer Reading Challenge: The theme for 2023 is **Ready, Set, Read!** In partnership with the Youth Sport Trust, this Summer Reading Challenge will inspire children and their families to develop a passion for reading for pleasure, and unleash the power of play, sport and physical activity through reading. Children will be able to join a superstar team and their marvellous mascots as they navigate a fictional summer obstacle course brought to life with illustrations by children's illustrator Loretta Schauer. As children read library books, they will collect special rewards along the way and there's a certificate and medal for everyone who completes the Challenge.

As in previous years, children can choose to join and participate in the Summer Reading Challenge by visiting their nearest library or they can take part by visiting the [Summer Reading Challenge website](#). Once completed, all children can visit the library for their medal and certificate.

### Pastoral and Inclusion

#### Does your child use Online Group Chats?

Occurring through messaging apps, on social media and in online games, group chats are among the most popular ways that young people engage with their peers online. These groups allow users to send messages, images and videos to everyone in one place. While they are useful for helping friends, people with shared interests or members of a club to communicate and coordinate activities, they can also leave young people feeling excluded and bullied – as well as providing opportunities for inappropriate content to be shared and viewed.

In the guide, you'll find tips on a number of potential risks such as bullying, inappropriate content and unknown members.
