A message from Mrs Chambers

Dear Families,

It is hard to believe that this year is nearly over. I would like to thank you all for your support over this last year - we are very proud of our children, of their personal achievements and of the achievements of our school.

As we prepare for the summer holidays, we look back on the things which have brought lots of joy this year - some of which can be seen on our Repton Photo Album on our website: https://www.reptonmanorprimary.co.uk/our-school/school-events-photo-page/.

We hope that you will all share in your children's personal successes as noted in their reports which would have come home today. We are excited to be able to send home assessments of the children's attainment in every area of the curriculum this year - we hope that you find this helpful.

We have lots to look forward to next year and we will be sharing some of these things with you over the next week and early in September. We have some exciting curriculum developments, plans for some exciting trips and visits and many ideas about how to keep you informed of your children's learning next year.

This year we are sad to see our Year 6 cohort leave us - but we are incredibly excited for all that their futures bring. We are also sad to say goodbye to the some of our wonderful staff members, as already announced. In addition, Mrs Wright has been given a wonderful opportunity to work with local Children's Centres and so she will also be sadly leaving us at the end of the school year. We are so incredibly grateful for all that Mrs Wright has done for so many children, staff and families during her time at Repton and we hope to see her again, hopefully still keeping in contact through her work in Children's Centres.

We hope that you all have a lovely summer with your families.
