## Platinum Award

*We did it!*

**WOW, what term to remember! On Wednesday 14th June, on what was meant to be our pre-audit, we achieved OPAL platinum status! Our mentor, Cath Prisk, was so impressed by what she saw that she deemed it not necessary to do a further visit.**

**In the audit criteria we were assessed on 5 sections - within those sections it was broken down into 18 segments, all worth a maximum of 4 points each. To achieve platinum we needed to score over 85% - we did more than that!**

70/72

97%

*It doesn't stop there!*

**So we don't just have one award to shout about - we have 3!**

**Cath will return for our platinum ceremony where we will be presented with our OPAL platinum plaque to proudly display. We hold our platinum status for 2 years when will then be re-accredited.**

# THANK YOU

**This achievement wouldn't have been possible without everyone's contribution. From the children, to the staff, our parents and guardians, our governors, and all the donations of items and time from our families and the community - THANK YOU.**

**When we told the children in our play assembly we asked them...**

**...and that is exactly what we did!**

**OPAL will continue to grow and develop and we hope to continue to inspire other schools to do the same.**
